The Data Protection Act 1998

The information provided by yourselves will be processed by the Environment Agency to deal with your application and to monitor compliance with the licence/permit/registration conditions.

We may also process and/or disclose it in connection with the following:

- offering/providing you with our literature/services relating to environmental matters;
- consulting with the public, public bodies and other organisations (e.g. Health and Safety Executive Local Authorities, Emergency Services, DEFRA) on environmental issues;
- carrying out statistical analysis, research and development on environmental issues;
- investigating possible breaches of environmental law and taking any resulting action;
- preventing breaches of environmental law;
- assessing customer service satisfaction and improving our service; and
- responding to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004, where the Data Protection Act allows.

We may pass it on to our agents/representatives to do these things on our behalf.
