

Letcombe Brook Project

Letcombe Brook - Jude

Dead Otters – September 2024

Thanks to all those who got in touch to report the dead otter - very sad news.

Cardiff University's otter project takes otter carcasses for research (<https://www.cardiff.ac.uk/otter-project>).

Please phone the Environment Agency incident line to report a dead otter and they will arrange to collect and send off the body, if 'fresh' enough. The number is: 0800 80 70 60 (the same as that used for reporting pollution) and it is manned 24 hours.

There is also an email: [enquiries -at- environment-agency.gov.uk](mailto:enquiries-at-environment-agency.gov.uk)
